

Dear Parents/Carers,

I hope that you are all well and had a fantastic summer.

In advance of tomorrow evening's Information and Guidance event, I would like to extend a warm welcome to you all as your children embark upon the final stage of their GCSE journey and their secondary education with us at Lymm High School. I am privileged to continue working with your children for another year as they continue their journey.

We are wholeheartedly committed to continue providing your child with the best possible support and guidance necessary to ensure their continued success.

We understand that your child's education and wellbeing is paramount, and we are dedicated to creating an environment that fosters their growth. Our experienced and passionate team of educators are here to nurture your child's strengths and empower them to reach their full potential.

Students can continue to take advantage of an extensive support network in Year 11, which has expanded since Year 10. They will work closely with the below members of staff as well as our fantastic Student Services team.

Mrs J Wagstaff	Head of Year 11
Miss H McMullen	Year 11 Pastoral Manager
Mrs E Feast	Senior Deputy Headteacher, Year 11 SLT link, Raising Achievement and Exams
Mrs H Jennings	Deputy Headteacher – Behaviour and Attendance
Miss K Yates	SENDCo
Mrs S Tasker	Raising Achievement Tutor (supporting Pupil Premium Lead)
Mrs C McGahey	Raising Standards Leader (Year 11) and Pupil Premium lead (Year 11)

As a Year 11 team, we will be supporting students to continue managing their increased workload effectively, to develop and hone effective revision techniques, deal with exam stress, direct them to specific subject intervention sessions, and look after their emotional and mental wellbeing. Year 11 is undoubtedly a stressful and difficult year for our students, but please rest assured that we are vastly experienced in guiding them through this journey and will be looking to build upon the excellent GCSE results that we achieved this year.

With a linear approach to the majority of examinations (most examinations take place at the end of Year 11), there is a greater emphasis and demand for students to retain and recall previous knowledge. Therefore, students must continue to invest greater time outside of the school day into their studies. Adopting an effective revision routine at home will enable them to become more confident in their knowledge and understanding of key content in their courses. It is no coincidence that the students celebrating excellent GCSE examination results were those who adopted a revision routine and stuck to it rigorously throughout Years 10 and 11.

To support students with their revision routines, faculties will be offering their specific guidance and tools for success such as Knowledge Organisers, vocabulary lists and past paper questions. More specific information about these sessions, as well as general information around GCSE examinations, revision, expectations and support will be discussed at our **Year 11 Revision Evening** scheduled to take place on **Thursday 16th October 2025 (6–7pm)**.

Whilst the support and resources that we offer will prove invaluable to our students, it can only be maximised if they attend school on time each day, taking full advantage of the opportunities provided. Maintaining excellent attendance is more crucial than ever before to ensure that students do not fall behind in their courses or miss vital intervention sessions available to them. Whilst we understand that illness is sometimes simply unavoidable, at Lymm High School we strive for students to have attendance above 97%, dropping below this figure has the potential to negatively impact their final grade.

Finally, I would like to draw your attention to some of the key dates to note for this academic year:
