

THE SIXTH

“ THIS WEEK...”

BE YOUR
BEST SELF

17–21 November 2025

”

Sixth form is your time to challenge yourself, stay motivated, and give your best effort in everything you do, academically, personally and socially.

Trying your best isn't about being perfect; it's about showing resilience, staying focused, and taking pride in your progress every step of the way.

Please keep this in mind during your assessments and examinations this week.

SIXTH FORM OPEN EVENING

A huge thank you to over 100 Sixth Form students who supported our Sixth Form Open Evening on **Thursday 13th November**. The event was a tremendous success, thanks to your support and enthusiasm throughout the evening.

You represented the Sixth Form brilliantly and created such a warm and welcoming atmosphere for our visitors.

We're incredibly proud of you all.

THE SIXTH

17–21 November 2025

GOOD LUCK YEAR 13

We wish Year 13 good luck with their mocks this week. Study leave runs from Monday to Wednesday. Classes resume on Thursday. BTEC classes run throughout the week. ASP students will remain in school during study leave. See also p.10 and 11.

EPQ SIGN UP

The Extended Project Qualification gives you the opportunity to explore a topic you are passionate about while developing important skills in research, planning, and independent study that are highly valued by universities and employers. If you want to take part, please complete [this Form](#) by **Monday 15th December**. Please see Mr Mullin if you have any questions.

HONOUR-BASED VIOLENCE

On **Tuesday 18th November**, Year 12 will attend an important assembly on Honour-Based Violence (HBV).

The session will aim to raise awareness of what HBV is, why it happens, and – most importantly – how young people can seek help if they or someone they know are affected (see p.4).

YEAR 12 UNI TRIP

The Year 12 Liverpool Trip will run on **Monday 8th December**. We ask that all students attend as part of our planned Futures Programme. Please complete medical details and payment on ParentPay. You can find the information letter [here](#).

UNIFROG SKILLS

On Fridays over the next term Year 12 will be encouraged to complete the UniFrog Skills Tests online. These are informal tests that test numerical, word and reasoning skills. See p.7 for further information.

GOOD LUCK YEAR 12

We wish Year 12 good luck with their Assessment week, which runs between **Monday 17th and Friday 21st November**. Revision lists can be found on Class Charts.

MONDAY	Monday reset – <i>The Sixth</i>	Mock exam study leave	
TUESDAY	Assembly – Honour-based violence (see p.4)	Mock exam study leave	Careers Advisor
WEDNESDAY	Logging enrichment on UniFrog (see p.7)	Mock exam study leave	
THURSDAY	Study Skills – The Core Four: Self-quizzing and practice	Tutor check-in	
FRIDAY	Using the Word Skills Test on Unifrog	Children in Need*	

WHAT'S ON THIS WEEK

Honour-Based Violence

Tuesday 18th November, Lower Hex

Our Year 12 students will attend an important assembly on Honour-Based Violence (HBV). The session will aim to raise awareness of what HBV is, why it happens, and – most importantly – how young people can seek help if they or someone they know are affected.

Honour-Based Violence refers to any form of abuse committed to protect or defend the perceived 'honour' of a family or community. It can include physical violence, emotional abuse, forced marriage, or other forms of control. The assembly will encourage open discussion, challenge harmful myths, and highlight the importance of respect, equality and personal freedom.

 KARMA NIRVANA

**'Honour' based abuse
is a 'culture thing'**

NEWS

We always remember

Lymm High School has a long-held tradition of giving all its students the important opportunity to reflect, remember and give thanks for the sacrifice made by those who served during the wars, writes Year 13 Isabella Tither.

I was reminded this week of *Birdsong* a novel by Sebastian Faulks, which follows a British soldier during his experience of the First World War. Stephen, the main character, represents many soldiers' experiences of service, sacrifice and peace that continue to shape our society today. The most profound theme in the book is remembrance, although Faulks implies that modern society disregards remembrance as we are a country with many war memorials but no memory of their meaning. Lymm Sixth Form rejects this notion: we actively encourage students to take part in a reflective assembly and a moment of silence to honour those who lost their lives. We hope this occasion will inspire thoughtful discussion about the true meaning of remembrance, to embrace global citizenship, empathy, and the responsibilities we all share in building a peaceful future for all in honour of the men and women who sacrificed everything to keep us safe.

The Sixth Form Senior Leadership Team laid poppies at the cross memorial in St Peter's church on **Tuesday 11th November** before attending two remembrance services.

NEWS

Unifrog Skills Quiz

On Fridays over the next term Year 12 will be encouraged to complete the UniFrog Skills Tests online. These are informal tests that test numerical, word and reasoning skills. The aim of the tests is to give students the opportunity to reflect on their skill set and areas for development. Students will start by completing their skills profile and will then move onto the other quizzes.

Quizzes can be retaken and practised in students' free time.

ENRICHMENT

Makaton Signing

Wednesday 3rd and 10th December

A reminder that our Makaton Signing course starts in December. This is a brilliant course for students interested in community, education and health careers. Sign up happened at the Careers Fair; however, please email Miss Dixon if you are interested and did not previously sign up.

What is Makaton?

Over 100,000 children and adults use Makaton symbols and signs, either as their main method of communication or as a way to support speech. In addition to children and adults with communication and learning difficulties, and the community around them (including teachers, health professionals, friends, family and public service bodies), Makaton is increasingly used by the general public to aid communication.

Makaton has also been shown to be useful to those people who struggle with understanding concepts, those who have poor literacy skills (including grammatical knowledge) and those with English as an Additional Language. By using Makaton, children and adults can take a more active part in life.

For further information on Makaton, [click here](#).

EXAMS

YEAR 13
MOCK
TIMETABLE

	Morning exam 8.45 am	Afternoon exam 1pm
Friday 14th Nov	English Literature Theatre BTEC Sport	Psychology Spanish Further Maths
Monday 17th Nov	History Dance Music Tech Physics	Economics Religious Studies PE
Tuesday 18th Nov	Eng Language Chemistry Health & Social Care	Sociology Maths
Wednesday 19th Nov	Geography French	Business German
Thursday 20th Nov	Biology Media BTEC Sport	
Friday 21st Nov	Children in Need Celebrations	

Students must arrive to their exam room 15 minutes before the start time of the exam to allow time to store bags, find their seat and get registered ready for a prompt start.

- Morning exams – Arrive at 8.30am ready for a 8.45am start
- Afternoon exams – Arrive at 12.45pm ready for a 1.00pm start

On study leave days (**Monday 17th, Tuesday 18th and Wednesday 19th November**), there is no Form Time or SSP for **any** students. Lessons will continue as normal on **Thursday 20th November**. Please note that **lessons for all BTEC courses** and for students studying **Photography, Art and 3D Design** will continue as normal throughout this period. Students should attend all of their lessons for these subjects unless they clash with an exam.

Students currently on Academic Support Plans must attend Sixth Form throughout this period as per the letter on Class Charts from Mrs Neesam.

REMINDERS

DONT FORGET TO:

BUILDING WORKS

Please be aware that there are building works taking place in McCorms Yard (outside the new Drama classroom). These will finish on **Friday 21st November**. Please stay out of this area. Access to Drama will be through the Leisure Centre.

SIXTH FORM DRIVERS

If you wish to use the Sixth Form car park, your car **must be registered with school [here](#)**. Please always drive carefully, keeping to the 5mph speed limit. Be especially mindful of pedestrians at the zebra crossing and ensure you park considerately so the space can be used safely by everyone.

KEY DATES AND ASSESSMENT CALENDAR

A reminder to check the [Key Dates and Assessment Calendar](#) for important dates throughout the academic year.

Please note that this link is also always on the 'What's on this week' page (p.3).

UNIFROG PARENT ACCESS

Important changes and enhancements have been announced to Unifrog access for parents. Action required if parents wish to continue using our Careers Platform. Please [click here](#) to read the letter sent recently.

GOLD DOFE

A copy of the Gold DofE application letter is [here](#). The deadline for enrolment is **Friday 5th December**. For any general information please visit www.dofe.org.

Chester University Health Humanities Public Lecture

What can the Great Rising of 1381 tell us about modern medical practice?

Professor Taj Nathan MB BCh, MSt [Oxon], MRCPsych, MMedSc, DFSc, MD

Wednesday 19th November, 6.30–7.30pm

University of Chester Parkgate Road Chester, CH1 4BJ

Having practised as a forensic psychiatrist for over two decades, in recent years Professor Taj Nathan has broadened his academic interests to encompass historical studies. In this talk, he will share his insights into the different ways the apparently diverse disciplines of medicine and history can complement each other. Using illustrative examples ranging from the fourteenth-century Great Rising to the eighteenth-century publications of the Ordinaries of Newgate, Taj will demonstrate the value of the humanities to modern medical practice.

Careers with the UK Government Economic Service and Government Social Research

Tuesday 18th November, 5–6pm (Zoom)

This virtual event with the UK Government is a fantastic opportunity for Year 12 and 13 students interested in economics, finance and business, where they will gain a greater understanding of how the UK economy works and how they could be part of managing budgets for the UK economy.

This is a very rare and exclusive event, bringing together senior officials from the Government's Economic and Social Research departments to talk to students about what life is like working for a government agency. It will also be an opportunity to discover the exciting apprenticeship career opportunities available in the heart of government.

- Discover the Government Economic Service Degree Apprenticeship Programme (GES DAP) and the Government Social Research Degree Apprenticeship Programme (GSR DAP) – A unique opportunity to earn a degree in economics or social research while working in government.
- Hear directly from government economists and social researchers about their work and career journeys.
- Ask your questions to the Government Economic and Social Research Team.

Apprenticeship Spotlight

Company: Howden

Qualification: Insurance Sales Apprenticeship

Location: Northwich

Salary: £23,000

Start date: September 2026

Application Deadline: Friday 28th November 2025

Howden is one of the world's largest insurance companies, working across all parts of the insurance industry. They create smart solutions for their clients in areas such as retail and underwriting, empowering people to make change.

This is a 1-year apprenticeship programme where you'll start your career as a Sales Advisor, learning how to sell insurance solutions to clients and understand the world of insurance from the ground up. You'll gain hands-on experience working with expert teams, helping clients with their insurance needs, and learning how individuals and businesses protect themselves against different risks.

You will be part of a friendly and supportive team who will guide you every step of the way. One day a week will be dedicated to studying towards a Level 3 qualification, all while earning a salary and gaining valuable real-world experience.

During the apprenticeship, you will:

- Learn the foundations of insurance and sales through hands-on learning.
- Support brokers with finding new clients and sourcing insurance packages.
- Draft professional emails for clients and learn how to manage calls with clients and insurers, answering their questions.
- Use relationship management skills to provide exceptional customer service.

To find out more and apply, [click here](#).

CAREERS

Our [careers website](#) includes a [calendar of events](#), [labour market information](#) and a link to [Unifrog](#).

In Cheshire and Warrington, the industry sectors that are growing include life science, digital & technology, logistics & distribution, energy, zero carbon and clean growth. Find out more [here](#).

Key sectors with significant levels of employment are: chemicals, manufacturing & engineering, finance & business services, and health & social care.

Careers with Forvis Mazars

Thursday 20th November, 5–6pm (Zoom)

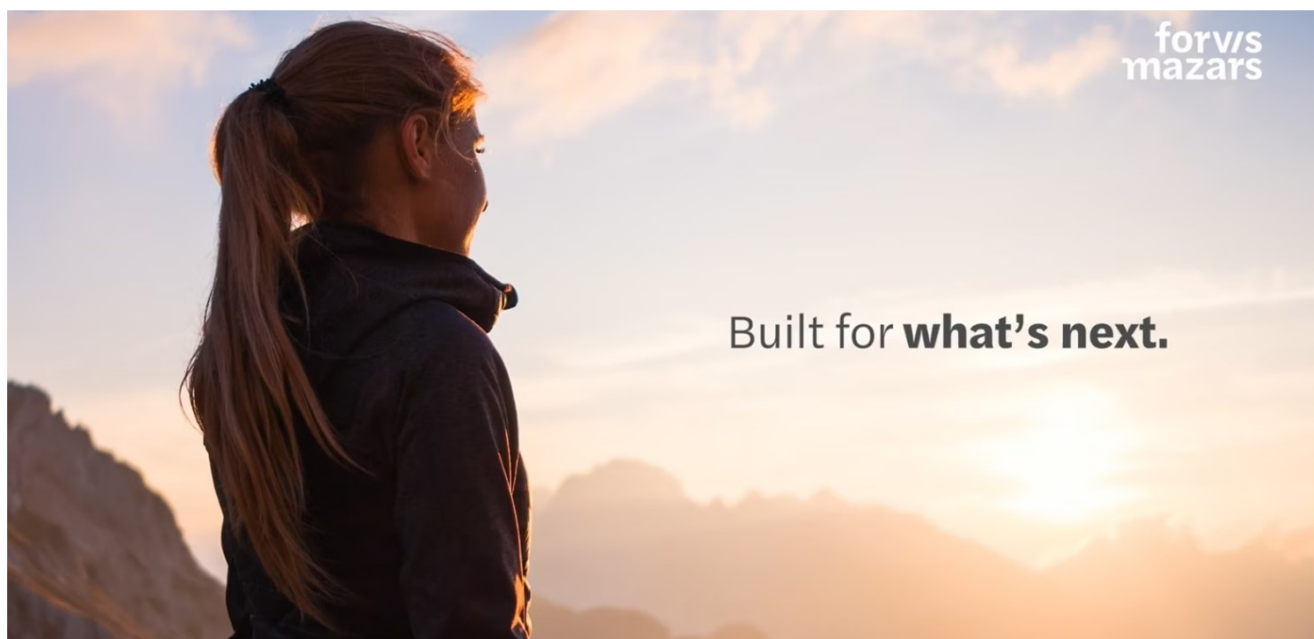

Are you interested in pursuing a career in business, finance or professional services – but not sure where to start? At this virtual event with Forvis Mazars, a global audit, tax and advisory firm, you can discover how you can grow your career right from the start. The session is designed specifically for students outside London, with a spotlight on opportunities in Leeds, Birmingham, Manchester and Milton Keynes.

Forvis Mazars is a firm where you can grow, no matter your starting point. You don't need prior industry knowledge, just curiosity, motivation, and an interest in working with people and solving real business challenges.

At this event, you will:

- Learn more about school leaver roles and apprenticeships across the UK.
- Hear directly from professionals early in their careers.
- Gain insights into what audit, tax and advisory work actually looks like day-to-day.
- Discover how Forvis Mazars supports you to develop, learn, and thrive from day one.

To register, [click here](#).

Built for **what's next.**

Insight into Law careers with Farrer & Co

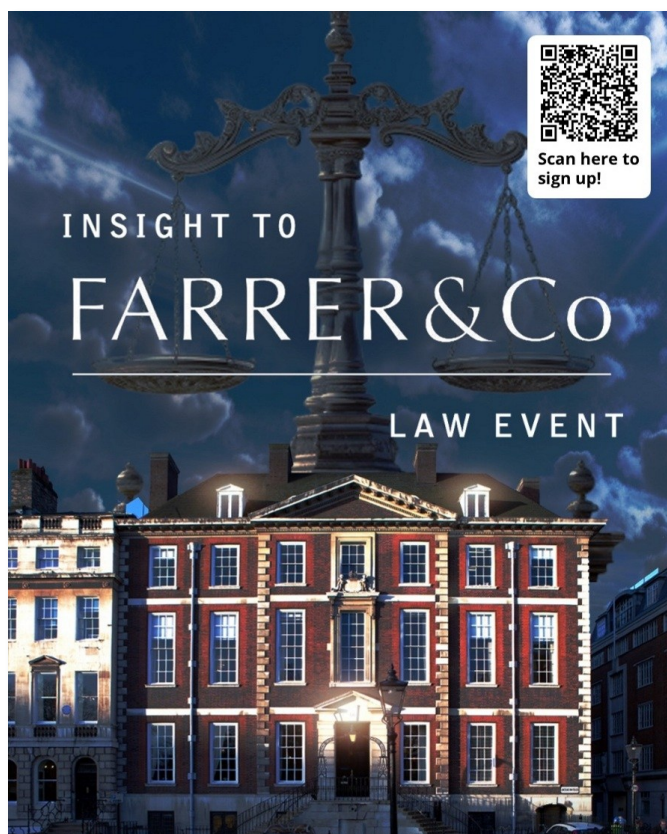

Monday 24th November, 5–6.30pm (Zoom)

Are you considering a career in law? At this virtual event with Farrer & Co, one of the UK's most prestigious law firms, students can gain invaluable insights into the legal profession and explore how to kickstart their journey through solicitor apprenticeship programme and training contracts.

Farrer & Co is renowned for its work with high-net-worth individuals, charities, institutions, and businesses across the UK and beyond; they also represent the Royal Family. This event is your chance to learn directly from professionals at the firm and gain a deeper understanding of what it's like to work at the forefront of the legal world.

- Hear from Farrer & Co lawyers and trainees as they share their career journeys, daily experiences and advice for aspiring legal professionals.
- Learn about the firm's practice areas, including private client work, intellectual property, commercial law and more.
- Explore the opportunities available for students, including solicitor apprenticeships, internships, training contracts and work experience programmes.
- Receive practical tips on how to stand out in your applications and interviews to secure a future in law.
- Interactive Q&A Session.

To register and secure your spot, [click here](#).

Careers in Law

An ex-student's perspective

Wednesday 26th November, 1.15–2.30pm

Ex-student Gemma Dutton has secured a fantastic position at Pinsent Masons. The multinational law firm can trace its roots back to 1769 and now has 29 offices across four continents.

We are thrilled that Gemma is coming back to Sixth Form to speak with current students interested in pursuing a career in Law.

Gemma will share her journey to securing a role at Pinsent Masons, how she's finding her work, and the benefits of a Degree Apprenticeship in this field. It will be a great chance for students to gain insights into how to pursue a solicitor Degree Apprenticeship and get valuable advice on what steps you can take now to work toward that goal. After the presentation, there will be time for questions and further discussion.

If you're interested in attending this talk, please let Mrs Hughes know. It's an invaluable opportunity to gain first-hand advice from someone who's been through the process and is now starting a fantastic career.

Please note that the end time is flexible if you need to leave earlier to attend a sports fixture etc.

Sellafield Careers work experience programme

Deadline for applications: Friday 26th December 2025

Sellafield Ltd is offering a 1-week work experience programme designed to help students explore early career opportunities as they plan their next steps.

Held at the West Cumbria sites and Hinton House in Warrington, the programme is open to Year 12 and 13 students.

You'll gain insight into life at Sellafield Ltd, meet employees (including those starting their careers) and discover the opportunities available.

This is a unique opportunity for students to explore the wide-ranging and meaningful work carried out at Sellafield Ltd – spanning fields such as engineering, environmental science, robotics and digital innovation.

All programmes are designed to nurture eight core employability skills: Speaking, Listening, Teamwork, Creativity, Problem Solving, Adaptability, Planning and Leadership. Through hands-on experience and guided learning, students will strengthen these essential skills while gaining valuable exposure to the world of work.

Full details of the programme areas and placement types are available by [clicking here](#). For further information, [click here](#).

Compassionate Careers with St Columba's Hospice

27–29th January 2026, 9.30–3pm (remote)

Are you passionate about helping others? Interested in a career in healthcare? Want to gain real-world insights into the compassionate field of palliative care? Join us for an engaging Remote Work Experience and explore the diverse roles that help provide exceptional care to patients & their families at a critical stage in their lives.

Over 3 interactive days, you'll work alongside doctors, nurses, therapists, and those behind the scenes who keep St Columba's Hospice running smoothly. From hands-on patient care to the importance of emotional and physical support, you'll experience the varied and rewarding world of hospice care.

Whether you're thinking of becoming a doctor, therapist, or simply want to understand how a hospice operates, this is your chance to learn from experts and discover how you can make a difference!

For further information, and to apply, [click here](#).

Explore the STEM world of defence & technology

16–18th February 2026, 10–3pm (Teams)

At this 3-day remote work experience with QinetiQ, you'll get a behind-the-scenes look at how it leads in defence, security and aerospace. QinetiQ is a leading global defence and security company that works on science and technology projects, especially for the military, governments and sometimes big companies.

What to Expect:

- Engage with industry experts through live presentations and Q&A sessions.
- Across the 3 days, you'll work in teams to participate in a project and problem-solving activities that parallel real-world challenges! and have an opportunity to develop key skills, that are invaluable in the workplace
- Discover the different paths into tech and engineering, including apprenticeships, degrees, and early careers support and learn about the diverse career opportunities within QinetiQ.
