Welcome to Lymm High School

Thank you very much for entrusting us with the responsibility for the education and care of your child from September. We are incredibly proud of our school and the achievements of our students, who are a continual source of admiration and joy. Similarly, we are very lucky to have a staff body who are dedicated to providing high quality education and support – not just in the classroom, but way beyond. The strong relationships we have throughout the school are securely founded on a basis of mutual respect, focusing on personalised care and support for every individual. I hope you will feel this from the very start.

As a school founded over 400 years ago, we greatly value the extended community and its support as we strive to ensure all of our students reach their full potential. We are fortunate to serve a community where students tend to take their studies seriously and are very well supported by their parents in doing so. This collaboration is always something we are keen to promote and it is therefore very important to us that, as a parent, you feel properly informed about what is going on at school.

As such, you will receive regular reports on your child's progress and attitude to learning and we will invite you to parents' evenings where you can discuss progress and attainment with teachers. There are also regular newsletters and bulletins that contain plenty of information about all the various activities and initiatives that are taking place; I really encourage you to get in the habit of reading these. Above all, please do not hesitate to contact us should you have any other questions or concerns, however small they may be: we understand that anything connected to your children is extremely important.

Let me finish by saying that Lymm High School has a great deal to offer and, by working together in partnership with you, we believe that anything and everything is possible. We are already looking forward to the year ahead and to doing all we can to provide an enriching and fulfilling experience for your child.

A handwritten signature in black ink, which appears to read 'Gwyn Williams'.

Gwyn Williams
Headteacher

OUR VALUES

We are a high-performing comprehensive school with a proud tradition of service to our community for over 400 years.

As set out in our School Charter, Lymm High School exists to enable every single student to:

- Be successful and achieve their full potential
- Enjoy learning and become independent lifelong learners
- Become socially responsible citizens and members of the community
- Become confident and capable individuals

We aim to achieve this through a relentless focus on three simple priorities:

- An uncompromising focus on high academic standards and excellent teaching and learning
- Encouraging participation in a wide-ranging programme of extra-curricular activities, including opportunities to develop leadership skills
- Promoting the importance of being decent, socially responsible members of the community

Term Dates

AUTUMN TERM 2026

Wednesday 2nd September – Thursday 22nd October 2026

Half Term break

SPRING TERM 2027

Tuesday 5th January – Friday 12th February 2027

Half Term break

Monday 22nd February – Thursday 25th March 2027

Easter weekend: Friday 26th – Monday 29th March 2027

SUMMER TERM 2027

Monday 12th April – Friday 28th May 2027

May Day Bank Holiday: Monday 3rd May 2027

Half Term break

Monday 7th June – Wednesday 21st July 2027

INSET DAYS 2026/2027

Monday 1st September 2026

Friday 9th October 2026

Monday 4th January 2027

EARLY CLOSURE

(Close at 12.15pm)

Thursday 8th October 2026

Friday 18th December 2026

Wednesday 21st July 2027

The School Day

Students should be on school site by 8.20am

8.25–8.45am	REGISTRATION / ASSEMBLY
8.45–9.45am	PERIOD 1
9.45–10.45am	PERIOD 2
10.45–11.15am	BREAK
11.15–12.15pm	PERIOD 3
12.15–1.15pm	PERIOD 4
1.15–2.10pm	LUNCH
2.10–3.10pm	PERIOD 5

Transport

We are fortunate enough to benefit from excellent public transport links and operate several school bus routes from in and around the borough. The majority of students at Lymm use a Touch & Go bus pass, this can be purchased directly from Warrington's Own Buses website. Students can also pay for their bus fare using cash, contactless, Apple Pay or Google Pay on the day.

The First Few Days

Over the first few days at Lymm High School your child will take part in a series of introductory activities. They will meet and spend time with their new Form Tutor and Form Group. Your child will also see their Head of Year and their Year 7 Pastoral Support Manager so they know who to go to with any problems. All students will attend a year group assembly, bringing them into daily life at Lymm High and offering the opportunity to meet students in other years of the school. Students will also get straight into lessons (although for the first fortnight will not be set any homework) to meet classmates and get to know their new timetable. Importantly, they'll get the chance to sign up for extra-curricular activities, and if ready, jump straight into all that is on offer.

Forms and Year Groups

Lymm High School is divided into five year groups, with two Sixth Form year groups. Each Year has 10 Form groups. Each Form has a Form Tutor, who along with a Head of Year and Pastoral Support Manager, are responsible for the pastoral and academic care of your child. If you or your child have any worries or concerns, the first person to contact would be your child's Form Tutor.

Pupils in Years 7 to 13 take part in a wide range of ‘Hall’ competitions, sporting events and charitable projects. Such experiences foster a sense of community, belonging and teamwork.

Communication

We are very proud of all the achievements of our students and we are also keen to ensure that parents are well informed about the very many events and activities happening at Lymm. We use a variety of channels to communicate with parents.

The School Website

This is our main means of communication with parents. Our individual year group parent communication pages include details of forthcoming events, links to key information and letters. School policies can also be found here.

Class Charts and Parent Pay

Lymm High School recognises the importance of communication between home and school. The strong relationships we have established with our parents and carers ensures the best outcomes are achieved by our students. To further enhance these communication efforts, we use a software package called Class Charts. This allows parents/carers to log-in and view information about their child(ren) at Lymm High School, such as their attendance, timetables, behaviour and achievements. Student absence can also be reported via Class Charts. Details of trips and other events can also be communicated via Parent Pay. Log-in details for both will be included with your joining information.

Monthly Newsletter

Every month or two (depending on holidays), the school publishes a newsletter full of useful information and news stories celebrating our students' achievements. The Lymm High School Newsletter is published on the school website, social media pages and a notification is sent to parents via Class Charts.

Parent Bulletin

Every 2 weeks the school publishes a parent bulletin. This document is sent to parents directly via Class Charts and includes a summary of all notices, event reminders and letters published on the school website over the previous 2-week period. We would encourage parents to read this for details on upcoming events and important notices.

Sports Fixtures & Results

We use SOCS, an online school communication system for extra-curricular sport sessions, sport fixtures and results. If you want to see the full Sports Programme visit <https://sport.lymmhigh.org.uk> You can also access the LHS Sports Portal via the school website.

Social Media

Lymm has an active Facebook page ([facebook.com/LymmHighSchool](https://www.facebook.com/LymmHighSchool)), 'X' account (@LymmHighSchool) and Instagram site, which all parents are warmly encouraged to follow. These are updated on a daily basis with current stories, events, pictures and videos from Lymm High School.

Emergency Contact

There may be occasions when we need to contact you urgently. For safeguarding purposes, it is very important that parents/carers provide the school with emergency contact numbers on which we can call you at any time of the school day. It would be helpful if you could also provide a second contact number. Increasingly, we are using email as a form of communication with parents. Please could you also provide the school with an email address. Please notify us immediately of any changes of contact details.

Attendance

We are very proud of our students' excellent attendance and punctuality to school. We have high standards and expectations from students because we believe that outstanding attendance and punctuality enables your child to maximise their learning opportunities.

What is Good Attendance?

We expect all students to attend school on a regular basis. It is the responsibility of parents to ensure their child's regular attendance to school (Section 444, Education Act 1994). Above 97% attendance is seen as a good level of attendance and the Department for Education sets a minimum expectation of 94% attendance for all students. If your child's attendance falls below 92% we can offer support and intervention from our Attendance Officer and the pastoral team.

Student Absence

We ask that parents inform us of absence using Class Charts. We will contact you on the morning of the first day of absence if we do not have a reason so that we can authorise the absence.

Unfortunately, we cannot authorise holidays during term time. For any other absence requests (e.g., medical appointments), please inform us via the Class Charts 'Report new absence' button.

Leaving School During the School Day

If students must leave school during the day, please notify us beforehand. Students are not allowed to leave the premises unless met in Main Reception by their parent or carer in order that school can transfer the child back into the care of a responsible adult. Parents must use the electronic screen to sign their child out upon collection.

Punctuality

We maintain very high standards of punctuality and expect every student to arrive at school by 8.20am for an 8.25am start in registration or assembly.

Pastoral Care & Safeguarding

Pastoral care for all of our students is of the utmost importance to us. Your child's Form Tutor, Head of Year, Pastoral Support Manager and the Student Services team will ensure that any of your child's pastoral needs are cared for.

Pastoral care is part of every school day. Your child will spend 20 minutes before lessons each morning in their Form group. This gives them the opportunity to prepare for the day ahead and to spend time with their Form Tutor. Form Tutors build strong relationships with their Forms and often stay with their students throughout their time at school.

Over the course of the school week, during morning registration students will:

- Meet with their Form Tutor and morning registration will be taken
- Have daily checks (e.g., uniform, equipment and Knowledge Organiser booklets)
- Work on the Pastoral Curriculum through reading, discussion and collaboration
- Attend assembly with their Form Tutor once a week

Student Services

Student Services play a key role in safeguarding and protecting the welfare of students at Lymm High School. Centrally located and available throughout the school day, Student Services can help with any day-to-day issues – feeling unwell, forgotten PE kits or lunches, asking for support, needing to call home. Mrs Ball leads a team of Pastoral Managers for Years 7–11 all of whom are trained to an advanced level in safeguarding. Miss Carrington is the Pastoral Manager for Year 7. We also have a first aider based in Student Services. The Student Services team enjoy excellent relationships with pupils, parents, staff and external support agencies. We encourage parents and carers to contact the team with any issues, no matter how small. We are always happy to help in any way we can.

Student Services Staff	Name	Email
Designated Safeguarding Lead & Head of Student Services	Mrs R Ball	rball@lymmhigh.org.uk
Deputy Designated Safeguarding Lead	Miss K Hayes	khayes@lymmhigh.org.uk

Attendance Officer KS3	Miss L Mitchell	lmitchell@lymmhigh.org.uk
First Aider	Mrs R Shawcross	rshawcross@lymmhigh.org.uk

Pupil Premium

Pupil Premium (PP) is funding from Government that schools receive to raise the academic attainment of certain groups of students.

These are students who:

- Currently receive Free School Meals (FSM).
- Have previously received FSM in the last 6 years.
- Are currently in Local Authority care ('Looked After Child').
- Are an adopted child (previously in Local Authority care, even if for one day).
- Are under a 'Special Guardianship Order' or 'Child Arrangement Order' (having left Local Authority care).
- Have a parent currently serving in the UK Armed Forces (or have in the last 6 years) or whose parent is in receipt of an Armed Forces pension.

If your child falls into any of these categories, they are likely to be eligible for PP. Therefore, please get in touch with your child's Head of Year as soon as possible. Any school funding is invaluable and this will be used to directly support your child in a number of ways. We will treat information in absolute confidence.

We provide financial support towards uniform in the summer term before Year 7 start with us for students who we can confirm PP eligibility. Please get in touch with Ms N. Dixon (ndixon@lymmhigh.org.uk) before the end of the summer term if your child is eligible. For students with adoption orders, Special Guardianship Orders or Child Arrangement Orders, we require copies of these to confirm eligibility.

Learning Support at Lymm High School (SEND)

At Lymm High School we recognise our responsibility for ensuring all students with special needs (including all forms of disability) achieve their full potential.

We have a very inclusive ethos that allows all pupils to participate in the full curriculum. We seek to develop effective ways of overcoming barriers to learning and sustaining effective teaching through the analysis and assessment of children's needs. We monitor the quality of teaching and standards of students' achievements and set appropriate targets for improvement. The specialist team of professionals within the faculty of Learning Development has day-to-day responsibility for the operation of the Special Educational Needs (SEN) policy which is led by Miss Yates. They coordinate the provision made for individual students with SEN or disabilities by working closely with staff, parents, carers and other agencies. Our SEN offer is available on the school website.

- SENDCo: Ms Katie Yates
- Deputy SENDCo: Mrs Karen Neal
- Deputy SENDCo: Mrs Neesha Lawson-Corney
- Leader of Teaching Assistant (TA) Coordination: Mrs Yvonne Poskitt
- Lead TA: Mrs Charlotte France
- Lead TA: Ms Sophie Brown
- Student Hub Manager: Mrs Fiona Lofthouse (temporary)

Please direct all initial enquiries relating to SEND to send@lymmhigh.org.uk. A member of the team will then get back to you.

You can contact any member of staff by telephoning the main switchboard: 01925 755455

The Curriculum

We are proud to provide a rich and varied curriculum for all students at Lymm High School. Our curriculum is exciting and provides challenge and support for students of all ages and abilities. More information about our curriculum can be found on the school website.

The Timetable

All students in the school follow a two-week timetable: in essence this means they will have different lessons from week A to week B. Each lesson lasts for 60 minutes. It is always useful if a copy of the timetable is kept in a suitable place at home to help with organisation and preparation. It would be really helpful if you could check that your child has the correct books and equipment.

KS3

Students follow a broad and balanced curriculum in Key Stage 3:

- All students study English, Mathematics and Science
- Students study French in Year 7
- All students study technology subjects (Design Technology and Food Technology) on a rotational basis so they can experience each subject within the faculty during the year
- In Year 7 students study PE four times a fortnight
- Students also receive lessons in Performing Arts (Music, Drama, Dance), ICT, Art and Humanities (Geography, History, Religion, Philosophy and Ethics)

Reporting Progress

We assess students' progress on a regular basis, and set aspirational targets for achievement for the end of each year and Key Stage. Throughout the year we will report home on your child's progress in the subjects they are studying. Both effort and attainment are assessed so that you can see a full picture of your child's progress during the year.

Homework

Homework is an important part of school life at Lymm High School. At the start of the year, students are issued with log-in details for Class Charts, which has improved communication and organisation within school. This should help your child and you to keep a check on homework. In addition, homework clubs are run every day and are supervised by our Teaching Assistants:

8.00am – 8.25am	Upstairs Hub
3.15pm – 4.00pm	Upstairs Hub

Learning Support

Our SEND offer is available on the school website. Also see page 18.

Parents' Evening

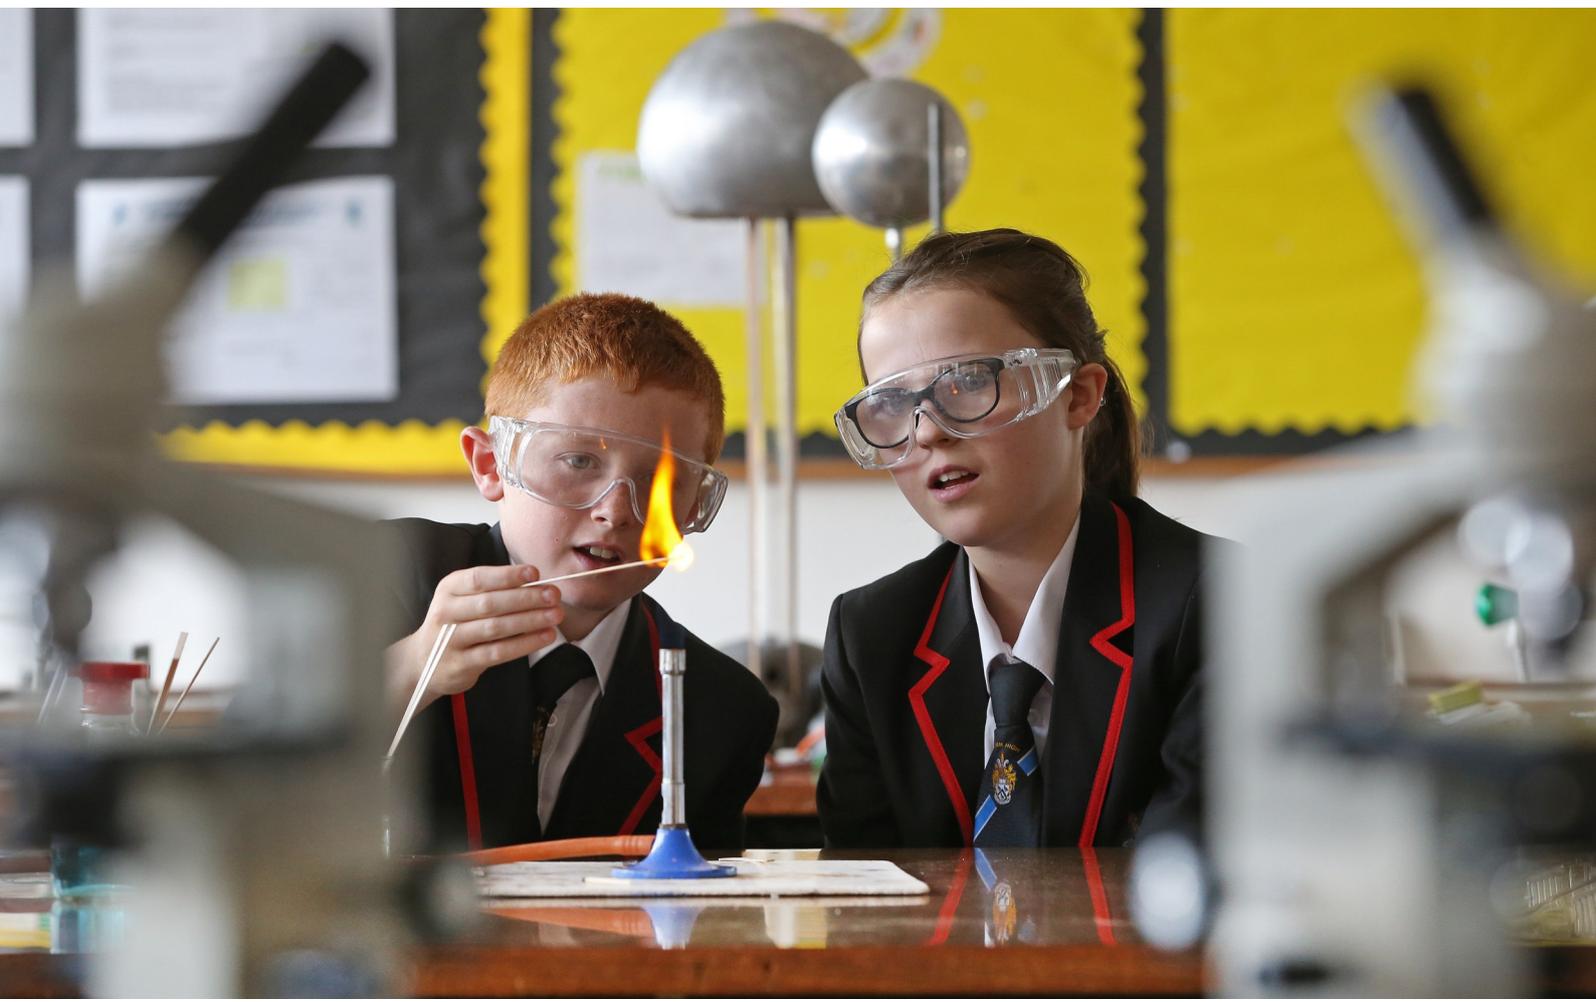

In addition to the reports you will receive regarding your child's progress, we also hold parents' evenings once a year when you will have an opportunity to discuss your child's progress in more depth with subject teachers. Online parents' evenings have proved very popular this year and based on positive parental feedback, this will be the format moving forwards.

Gifted & Talented

At Lymm High School we work hard to meet the needs of students of all abilities. One aspect of this is the work undertaken to stretch and challenge the most able students in our care. We use KS2 SAT results alongside assessments in January of Year 7 to nominate students for our Scholars Programme. We may also refer to CAT scores as well as end-of-year assessments. The programme is coordinated by Miss Cucuz, and more information is available on the school website.

The Life Programme

The Life Programme gives students the knowledge, skills and understanding to play an effective role in society at local, national and international levels. The topics covered help them to become informed, thoughtful and responsible citizens who are aware of their duties and rights. It promotes their spiritual, moral, social and cultural development, making them more self-confident and responsible both in and beyond the classroom. The Life Programme is delivered using a whole-school approach, which includes a combination of discrete lessons with separate curriculum time delivered by teachers. We also use assemblies, form time and drop-down days to reinforce learning. Personal, Social, Health and Economic education (PSHE) is an integral part of the curriculum and is included in programmes of study at every level in each subject.

Some of the extra-curricular activities on offer include:

- Athletics
- Badminton
- Basketball
- Big Band
- Breakfast Study Club
- Junior Brass
- Chess
- Chill 'n' Chat
- Choir
- Coding & Robotics Club
- Creative Writing
- Cricket
- Cross Country
- Darts
- Dodgeball
- Duke of Edinburgh Award
- Dungeons & Dragons
- Football
- Handball
- Hockey
- ICT Club
- Laser Cutting Club
- LGBTQ+ Club
- Netball
- Pickleball
- Rounders
- Rowing
- Rugby
- Sailing
- STEM Club
- Strings Group
- Swimming
- Table Tennis
- Tennis
- Trampolining
- Visual Arts Club
- Volleyball

Leadership Ladder

The Leadership Ladder reflects the aims of Lymm High School for all students: exercising social responsibility, developing leadership skills and providing cultural experiences to help broaden their horizons.

We expect all students to get involved with the Leadership Ladder and document evidence of things they are doing both inside and outside of school. Not only does this allow them to be active members of our school community, but they will gain recognition and rewards for achievements on the Leadership Ladder. The awards are broken down into key areas of participation within school:

- Contribution to School Life
- Experiences
- Knowledge
- Leadership
- Social Responsibility

We expect students to ensure that they are completing activities across these five key areas as they work towards achieving their Bronze, Silver and Gold awards. These awards are celebrated in both form time and year group assemblies in which students receive their certificates and badges to acknowledge their excellent achievements and participation in the wider aspects of school life.

Extra-Curricular Programme

An exciting part of joining Lymm High School is being able to participate in our wide-ranging extra-curricular programme. We really encourage our students to continue with activities they might already undertake, as well as to try something completely new and different.

We offer an extensive range of extra-curricular activities that take place at lunchtime, after school, weekends and during school holidays. This is an inclusive approach which endeavours to encourage not only physical development but also well-being. Students will be given the opportunity to represent the school in a range of district, county and national competitions. Fixtures and results are updated regularly on the Lymm High School SOCS website.

Sports

As part of Lymm High School's approach to education, we take seriously our responsibility to provide all of our pupils with opportunities to engage in a wide variety of physical activities both to keep them fit and also to promote a healthy lifestyle.

Our vision is therefore to achieve and sustain participation and excellence at all levels in all sporting and recreational activities.

There are a wide variety of sports on offer and we hold a number of competitive sporting fixtures, regional and national each week. Fixtures and results are updated regularly and can be found on the Lymm High School website.

Lymm High School uniform

We take great pride in our uniform and appearance and expect all students to wear their full uniform correctly at all times.

We recommend that all Lymm High branded items of uniform and school skirts are purchased direct from Touchline (see box). The specific requirements are detailed on p.25–26.

As well as offering ‘bundle deals’ for Year 7 starters, the quality of the Touchline merchandise is very good. In addition, the company has dedicated Lymm High evenings aimed at our parents only, and Touchline staff attend our parent Transition evenings to answer any queries and showcase the uniform.

Lymm High School ties can also be bought from the School Finance & MIS Office (building on the left of the Leisure Centre).

touchline
school wear • sports wear • work wear

Touchline UK

Email: orders@touchline-embroidery.com

Detailed list of requirements

School Uniform	
Skirt / Trousers	Black, white and red checked kilt (no shorter than 2" above the knee and not to be rolled up) / Black regulation school trousers
Blazer	Official school blazer – black with red trim and school crest
Tie	Clip-on Hall tie
Shirt	White shirt (long or short sleeve) with top button and collar
Jumper	Black regulation school jumper with red trim (optional). Jumpers are to be worn untucked
Tights	Plain black opaque tights no less than 40 denier. Black, knee-length (not over-the-knee) socks in half-term 6 only as an alternative.
Shoes	Plain black polished shoes with no logos (no extremes including size of heel). Please see website for further guidance.
Bag	School bag large enough for outdoor coat
Coat	Plain, dark coloured outdoor coat

If parents have any concerns as to whether an item is acceptable or not, please do check prior to buying anything. Further guidance can be found on the school website.

PE kit, sports clothing and other equipment are detailed on the next few pages.
Please see p.30 for a list of items that are not permitted.

Pre-loved uniform

Lymm High offers parents a chance to access recycled uniform. A selection is available from main school Reception free of charge. This includes both school uniform and PE kit.

Sports Clothing / Equipment

Skort	Lymm High navy blue with white piping
Football or Rugby Shorts <i>(depending on sport played)</i>	Lymm High navy blue football/rugby shorts
Shirt / Rugby Shirt	Lymm High white with navy piping / Lymm High navy blue rugby shirt
Socks	Lymm High navy blue hockey / football socks AND white ankle socks <i>(Teacher will advise)</i>
Swimming Costume	Navy blue or black (Year 7, Year 8 and Year 9 only)
Swimming Cap	Highly recommended
Shin Pads	
Trainers	Running trainers, suitable for both indoor/outdoor use <i>(no fashion trainers)</i>
Football Boots	Compatible with 3G playing surface: screw-in studs or moulded studs (preferred). Flat sole trainers, Astro trainers and blades cannot be used on the 3G pitch. <i>(If you expect your child to play sport in regular football fixtures it is highly advisable for them to use a pair of soft ground football boots with screw-in studs for when playing on grass pitches.)</i>
Optional	
Training Top	Lymm High full zip-up training top
Tracksuit Bottoms	Lymm High unisex navy blue tracksuit bottoms
Leggings	Lymm High navy
Gum Shield	(Highly recommended)

In winter, students are allowed to wear layers underneath their PE kit (with the exception of hoodies and coats).

Students can also wear hats and gloves. If students are wearing Lymm training tops, the layers do not have to be Lymm uniform. If they are wearing the Lymm PE shirt, we ask for layers to be white or blue to match the PE kit colours. Tracksuit bottoms are always permitted as long as they are official Lymm PE ones.

Please note: School kit must be worn for extra-curricular clubs and fixtures

Swimming

If your child needs to wear goggles, please provide a letter stating that you, as parent/carer, take full responsibility for their safety concerning the wearing of goggles during lessons. Any student who needs to be excused from swimming must always bring normal PE kit.

Please note: *It is expected that all students will be involved in PE and staff can make necessary reasonable adjustments. However, on the rare occasion your child may need to be excused from PE, please provide a letter which states the reason why they are not taking part in the activity. It must also include a contact telephone number, the date and a parent/carer's signature. Letters will be monitored.*

Excused students must still wear Lymm High School PE kit and will undertake other roles where possible (e.g., leader or official).

Water Bottles

Please ensure that your child takes responsibility for bringing their own water bottle. We strongly recommend that, along with all PE kit, these are clearly labelled with their name.

Art and Technology equipment

Art	Design Technology	Food Technology
Art sketchbook or A4 ring-bound sketchbook (Available from the school shop)	Blue apron	Airtight container to transport ingredients to and from school (approximately 20cm x 15cm x 10cm)
Set of artist pencils (HB & 2B at the very least)	Pencil	
Ruler	Rubber	
Coloured pencils	Ruler (30cm ideally)	
Fine liner	Pencil sharpener	
	Set of pencil crayons	
	Black fine liner	
	Pen	

Standards & Expectations

Uniform

Please note the following items are **not permitted** as part of normal uniform:

- Any fashion trousers including drainpipes/ leggings/ canvas/ chino/ jean-style or denim
- Fashion shirts or t-shirts showing above the collar or visible through shirt
- Cardigans
- Patterned tights, footless tights, ankle socks worn over tights
- Hooded tops or sweatshirts
- Sports or denim jackets
- Trainers or shoes with sports logos, canvas shoes, pumps or boots of any kind (please see website for further guidance)
- Fashion belts & buckles (plain black only)
- Gloves, scarves or hats worn inside the building
- Coloured hair accessories (plain and dark only are permitted)

**A judgement about what is or is not ultimately acceptable as regards to uniform is left to the discretion of the headteacher (who may delegate the power to a member of the Senior Leadership team). If a student is in incorrect uniform, they will be provided with a replacement item that meets the uniform requirements to wear during that day. Students who refuse to conform to the school's uniform and appearance policy will be sanctioned in accordance with our behaviour policy.*

Jewellery

Students may wear a wrist watch (not smart watch) whilst in school. Students will be required to remove any piercings or items of jewellery.

Hair

Students are required to wear plain, and dark coloured hair accessories only. Unnatural hair colour, extreme hairstyles and cuts of less than a number two are not allowed. Please bear this in mind if they are having their hair cut over the summer holidays.

Make-up

Make-up must be discreet: for example, light and natural-looking concealer make-up may be worn. Fake tan is not permitted. Nails must be short with no varnish, gel, extensions or jewels. Eyebrows and eyelashes should look natural, no eyelash extensions.

Essential Equipment

All students should carry their equipment in an appropriate school bag. The minimum expectation is that all students come properly equipped to school with the following:

- Pencil case or tin
- Blue or black pen
- Pencil
- Ruler
- Eraser
- Calculator
- A suitable book of their choice for reading
- Knowledge Organiser (these are provided)
- Mobile phone pouch (these are provided)

From time to time subject teachers may advise on additional texts or equipment. Parents will be notified in advance.

Mobile phones

The current school policy is that no devices are allowed in school. All students (Years 7–11) are provided with a mobile phone pouch, devices must be locked in these from 8.25–3.10pm each day. Smart watches are banned: if worn, these must be locked in their phone pouch too.

Parents needing to get messages to students are able to do this by contacting Student Services, who will pass messages on. Likewise, students needing to contact home during the day are always able to do so via Student Services.

If there is a particular reason why your child needs to have access to their mobile phone during the school day (e.g., an app to track diabetes), please contact school to discuss.

Should you need to contact your child in an emergency, please contact Student Services on 01925 750711.

Confiscation of Items

If an item is confiscated e.g. jewellery or a non-regulation uniform item, it will be held in Student Services until the end of the week. For students who have items persistently confiscated, they will be held in Student Services until the end of the half term. Please note: Fizzy drinks, Energy Drinks and all cans are not permitted in school and will be confiscated.

Insurance Notice

We will do our best to assist your child in safeguarding their property. However, the school does not take any responsibility for the loss or damage to any personal possessions brought onto site. We recommend that parents/carers make their own arrangements for insurance of bags, clothing, watches, bicycles etc (usually by extension of your home insurance). Large amounts of money or items of value should not be brought into school.

Technology

As part of your child's curriculum and the development of ICT skills, Lymm High School provides supervised access to the internet. We believe that the effective use of the World Wide Web and email is worthwhile and is an essential skill for children as they grow up in the modern world.

Please read the rules for responsible internet use.

Rules for Students & Staff

The computer system is owned by the school. The school Online Safety Policy helps to protect students, staff and the school by clearly stating what use of the computer resources is acceptable and what is not.

Irresponsible use may result in the loss of network access.

Network access must be made via the user's authorised account and password, which must not be given to any other person.

School computer and Internet use must be appropriate to the student's education or to staff professional activity.

Copyright and intellectual property rights must be respected.

Email should be written carefully and politely, particularly as messages may be forwarded or printed and be seen by unexpected readers.

Users are responsible for emails they send and for contacts made. Anonymous messages and chain letters are not permitted.

The use of unauthorised chat rooms is not allowed.

Online Safety

Although there are concerns about students potentially having access to undesirable materials, we have taken positive steps to reduce this risk in school.

Our school operates a filtering system that restricts access to inappropriate materials. Whilst every endeavour is made to ensure that suitable restrictions are placed on the ability of children to access inappropriate materials, the school cannot be held responsible for the nature or content of materials accessed through the Internet.

The school will not be liable for any damages arising from your child's use of the Internet facilities. For further information and guidance on e-safety please consult the Child Exploitation and Online Protection Centre (www.ceop.police.uk).

The school may exercise its right to monitor the use of the school's computer systems, including access to websites, the interception of email and the deletion of inappropriate materials where it believes unauthorised use of the school's computer system is or may be taking place; or the system is or may be being used for criminal purposes or for storing unauthorised or unlawful text, imagery or sound.

Behaviour

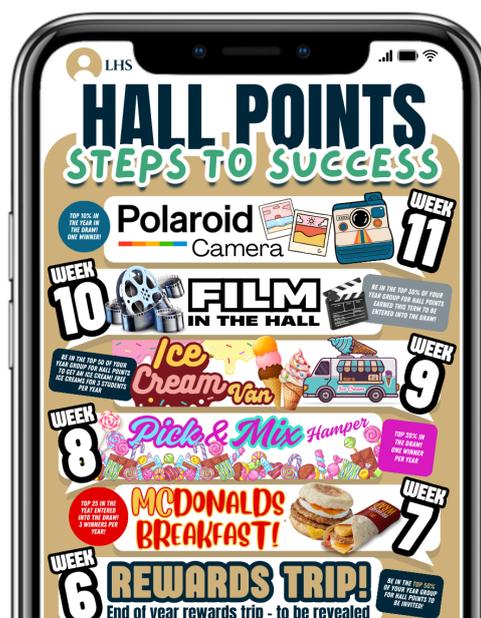

We are very proud of how well-behaved students are at Lymm High School. Visitors often comment on the calm and purposeful atmosphere around school.

Rewards

Our behaviour systems are very clear and easy for students to follow.

We ensure that we reward positive behaviour throughout the academic year and have a wide range of rewards such as:

- Praise Postcards
- The Rewards Pyramid
- Hall Points
- Bravo Awards
- Headteacher's award
- Rewards trips
- Annual Subject and Contribution to Faculty awards at Awards Evenings

Choices & Consequences

As part of growing up, there can be times when students make wrong choices about their behaviour. We have a simple and clear sanction system which may apply in such cases, which includes detentions or isolation, among other strategies.

Anti-Bullying

The school operates a 'Zero Tolerance' policy towards bullying of any kind, and as such, we experience very little bullying. We take a very firm stance on the matter. However, on the few occasions when it does happen, bullying will be dealt with promptly and very seriously by senior members of staff. Careful steps are taken to ensure the matter does not recur.

We encourage students to tell an adult, especially their Form Tutor, if they feel they are the subject of bullying or if they wish to report bullying of others. Parents will be contacted promptly and are kept informed at every step.

Tell Us

The **TELL US** Reporting System can be used by students to safely submit any concerns confidentially (and anonymously if they prefer) so that we can help and support when and where needed. Students can let us know if anything is worrying them by scanning the QR code or emailing TELLUS@lymmhigh.org.uk.

The Lymm High School Community

We are delighted to welcome you and your children to Lymm High School and to the wider Lymm High School community. We believe passionately that the secret to a successful school is the strength of its partnership between students, parents and Alumni, which in turn creates a vibrant and supportive school community. The role of the Lymm High School community team is to provide a meaningful programme of cultural, social, business, careers and educational events for everyone in the community.

What does the community do?

Our Vision

Our vision is to harness the talents and expertise of the members of the Lymm High community. Through a wide range of social and professional activities, we aim to nurture mutually beneficial life-long relationships with the school, with its Sixth Form and with its members.

Our Aims

- To facilitate social, career and business opportunities for all members of the Lymm High community by delivering a vibrant events and communications programme.
- To provide life-long guidance and support for all students and opportunities for parents and Alumni to engage in career mentoring and work experience.
- To encourage financial support for the school through an integrated development programme.

Who are the members of the Lymm High School Community?

Current students, former students, parents, grandparents, and current and former staff make up the Lymm High School Community. In order to develop and deliver the community programme, we rely on a number of volunteers who support the Lymm High Alumni, and a group of parent volunteers who help run events and support the school through the Parent Teacher Association (PTA).

Please note we have a thriving Alumni community, a standalone website, and a regular newsletter for our ex-students.

Philanthropy

Our community objectives are to provide charitable support to the Lymm High School Development Plan. There are a number of measurable benefits felt by our community, thanks to philanthropy. We are currently focusing on the improvement of our Main Hall through our 'Hall Together' campaign.

It is our aim to continue with capital investment. A large part of this is due to donations small and large. The fund relies upon the generosity and commitment of current and former students, parents, staff, governors, and other friends of Lymm High School.
